JOSIAH TURNER, Jr., EDITOR.

DEATH OF WILLIAM GILMORE SIMMS.

The well known and popular Southern novelist William Gilmore Simms died at the residence of his son in law, in the city of Charleston, S. C., on the evening of the 11th inst. Mr. Simms was born in the city in which he breathed his last, on the 17th of April, 1806. At an early age he was left an orphan, and the only fostering care which was thrown over his early years was such protection as his grandmother, an old lady whose means were rather limited, could afford. Under such circumstances it may naturally be inferred that the early education of the future novelist was poor, indeed. Yet we find that at the age of eight years he indulged in poetry and wrote verses. He was even at this early age a great reader, and devoured eagerly all the books within his reach. This stood him in after years, and served, in a measure, to supply the deficiency of a regular education. To practise medicine was his first aspiration; but this, it seems, was abandoned, and the study of law next became the object of his ambition. He, however, practised law but a short time. He then entered journalism and commenced by editing the Charleston *City Gazette*, a political news sheet of Union or anti-nullification principles. The *Gazette* failed and Simms becoming disheartened or discouraged forsook journalism and devoted himself to literature proper. In this pursuit he made rapid success. One of his of his first novels, if not the first, was "Martin Faber," was a hit. The book was well written and deserved the success it won. For an unknown author this success was fame and fortune. Encouraged with the reception of this work Mr. Simms set to work with renewed vigor, and novel after novel followed each other with astonishing rapidity.

As a biographer Mr. Simms has produced four creditable works. "The Life of Bayard" is one upon which he seems to have bestowed most attention. As a poet he has written more perhaps than any other Southern writer. Among the best known of his poetical works are those of "Atalantis." "The Vision of Cortes" and "The City of the Silent." He also took part in politics, and served one term in the Legislature of South Carolina. During the late war he wrote many stories, the best known of which was a humorous novel entitled "Paddy McGann, or the Demon of the Stump."

As a novelist Mr. Simms belongs rather to the old school of romance writers, than to the school of Dickens, of Collins, or of Reade. His poetry was fair, nothing more. His lively humor, fascinating conversation, pleasing anecdotes made his company much sought after, and his death will be learned of with regret by many who knew and prized him for those qualities of head and heart which invariably make men respected esteemed and loved.

THE MAN WHO KILLED ZOLLICOFFER.—The Standard (Ky.) *Dispatch* tells how General Zollicoffer, of the Confederate army, was killed, and says the fatal bullet was fired by a young man named Chrisman, who was in Colonel Fry's regiment. The *Dispatch* adds:

"Young Chrisman, after the war, brooded over the act until his friends began to apprehend danger of insanity. He was a brave and honest soldier, and could not possibly have felt any compunction of conscience for killing an enemy in actual battle, but the reflection that he had killed a human being who at the time could have been made a prisoner by the mere stretching forth of his hand—who was powerless to do him any injury—so wrought upon his conscience—preyed, as it were, upon the very vitals of his mind—that he finally sank, and, it is feared, into hopeless insanity.

"A few days ago a writ was awarded against him by the Judge of the Wayne county court, when the foregoing facts were elicited, which his dejected and forlorn condition of insanity fully established, and he was sent, for more skillful treatment, to the lunatic asylum at Hopkinsville."

SINGULAR CASE OF HYDROPHOBIA.—Some months since Mr. H., a highly respectable gentleman residing near Waterloo, Fauquier county, Va., whilst playing with a favorite dog, Carlo, much to his surprise was bitten on the left hand, near the wrist, but so slightly that the wound was not perceptible till next morning, and was treated as a mere scratch, as the dog was not then mad, nor has he up to this time evinced any signs of hydrophobia. Time wore on, months had elapsed, and the bite or scratch was forgotten until Mr. H., evinced a disposition to walk on his all fours, until it became a constant habit, and when turning a corner invariably raised his left leg.

He is personally rational on all subjects except mad dogs, as he gravely asserted in the presence of the Mayor of Warrenton, that on coming to town he had just seen *fourteen* mad dogs on the road, on which the worthy Mayor issued his mandate to the town sergeant to kill all dogs running at large unless wearing a muzzle.

PAT. WOODS AT WASHINGTON.—Through a private source we hear that testimony has been given in the case of Pat. Woods before the Judiciary Committee not likely to make him looked upon with much love by his inquisitors. Dr. Frayser testified that Pat. whipped Porter and Humphreys, and in a threatening manner said he wouldn't rest until he had cleaned out the whole d—d Radical party. W. R. Howle testified that he punched a hole through Porter's head and that Porter bled like a stuck pig. A colored witness testified that Pat. first whipped Porter, knocked Humphreys down and then made for a whole crowd of other men.

A German antiquary, Henry Schliamann, writes from the village of Ciplak, Greece, on the plains of Troy, near New Ilium, that in the course of some excavations made for his own private gratification he has discovered the palace of Priamus, where Hector sacrificed to Jove, where Xerxes offered up a hecatomb, and Alexander the Great his armor. He intends transmitting a report on the subject to the Academie Francaise.

Conscience is, at once, the sweetest and most troublesome of guests. It is the voice which demanded Abel of his brother, or that celestial harmony which vibrated in the ears of the martyrs and soothed their sufferings.

GOV. VANCE'S SPEECH.

The speech of Gov. Vance at Tucker Hall, on Saturday, was a master piece of oratory, calm and courteous reasoning and logical argument. We were glad to observe that it made a favorable impression on all present, Republicans as well as Conservatives. We heard numbers of the former say, after the conclusion of the speech, that it was *the truth*, and there was no getting round it.

Gov. Vance took the ground that the present administration has proved a failure in every particular; that it has failed in its financial operations so thoroughly as to bankrupt the Treasury and well nigh ruin the State's credit; failed in its public improvements, having made large appropriations and squandered them without building any railroads; failed in its common school management, having collected and expended hundreds of thousands of dollars without having put any schools in operation worth mentioning, and failed, on account of the imbecility and inefficiency of its public officers throughout the State, to preserve the peace and good order of society. In short that it had failed in every promise it had made to the people and in everything it had undertaken, except to line their own pockets with high official salaries *perquisites*.

The Governor was particularly felicitous in his comments on some of the public expenditures, as reported by the Auditor under the head of contingences; especially in regard to the item of *soap, cork screws, alcohol, wash bowls and ostrich feathers*; for all of which, it seems, this administration has had some mysterious use. He also alluded to the item of *ice*, but there is very little mystery about *that* when we think of the *cork screw* and the *alcohol*.

There were many present who, we thought, were a little disappointed in Gov. Vance's speech; none more so than the three reporters, who had provided themselves with the necessary amount of paper and pencil to report a double volume of treason and personal abuse, in which they were *sadly* disappointed. The whole course of the speech was courteous, conciliatory, but firm and particularly anti-Radical. It did great good; it strengthened and encouraged the friends of reform, disarmed opposition to considerable extent and *made converts*.

We would be glad to be able to give a more full and satisfactory report of this excellent address, but everybody, who has ever heard Governor Vance speak, knows how utterly impossible it is to do him justice in a written report; to be fully appreciated, his speeches must be heard.

REPUBLICAN RALLY.

It has been the case generally of late, that when the Conservatives have a meeting of any sort at which speeches are made that the colored people can hear, the Rads immediately get up a "grand rally," or "Republican meeting," to endeavor to counteract the effect that may have been produced on the colored people's minds, and keep them in the Radical traces.

This farce was enacted here on Saturday night, and a farce it was. The Governor's private Secretary presided, and ex-Speaker, Joseph W. Holden, made a speech. We understand his object was to answer the points made by Gov. Vance at Tucker Hall, an attempt which many of his party friends, white and colored, pronounced "an uphill business," indeed, many of them confessed it was an utter failure, and some left in disgust. We could give the names but for the subjecting them to the danger of league outrage.

Mr. Holden was followed by *General* S. A. Douglas, the young man who was called to his face, by a fellow passenger on the N. C. Railroad, on Friday night last, "the degenerate son of a noble and illustrious sire."

Tim Lee followed and made several votes—for High, and the meeting closed itself as quietly and harmlessly as an oyster.

FACTS FOR THE PEOPLE.

Among the many counts in the bill of indictment brought by the people of North Carolina against the Radical party and the Holden administration, none establish more fully their incapacity, their corruption and unfitness for office, than their wanton waste and extravagance, and utter recklessness of the people's condition.

It is well known that when they came into office the people were burdened by an enormous public and private debt. In a strictly commercial point of view the State and people had been rendered bankrupt by the law. They were wholly unable to pay the National or State taxes, unless brought down to the most rigid economy. The Congress understood this, and hence suspended the collection of the land tax and did not fully enforce the income and other taxes for a year or two.

The Conservatives while in power, refused to enforce the collection of taxes to pay the interest on the public debt, but did not repudiate or ignore that debt, though no constitutional enactment then required it, but provided for the funding of the interest accrued upon the public debt. Let us see how the figures taken from an authentic source present the matter:

PUBLIC STATE DEBT.

Public debt on the 1st January 1868 including interest funded,	$13,970,070
Add State bonds issued for the war,	1,268,000
Whole am't bonded debt	$15,238,070

At that time N. C. bonds sold in New York at about 52½ to 53 for old and 51 for new, funding interest bonds.

The Radical party came into power with an overwhelming majority putting the entire control of the State in their hands with pledges of economy on their lips. How did they redeem that pledge? Why, in two years from that time they had, by their Rail Road, Penitentiary and other swindles, increased the public State debt to about $40,000,000. This sum by the decisions of the Courts was reduced, so that on the 1st day of January 1870, the Public Treasurer acknowledged the bonded debt of the State to be $31,191,335!! And all this for a bankrupt people!

The people were then groaning under the burdens of their private indebtedness. Money was then bringing 18 to 30 per cent. interest on loans. Farmers could neither pay their old debts nor their taxes, nor purchase fertilizers or provisions to make a crop without mortgaging their crops and in some instances their lands besides. Many felt they were hopelessly ruined and went into bankruptcy. They clamored for relief from increased indebtedness and high taxation. No people ever felt more oppressed than the people of North Carolina did at that juncture. And yet in the face of all this suffering and clamor, the Radical party and Holden administration, plunged headlong into extravagance, waste and stealing. They passed the most enormous Rail Road appropriations, authorized the issue of millions to Railroad Presidents on demand, without demanding any indemnity or protection to the State. The annals of bond-making furnish no parallel to the hot haste with which the Public Treasurer and Gov. Holden signed those bonds. In a few weeks some twelve or fifteen millions of dollars of State bonds were signed, sealed and delivered over to those Railroad Presidents, without a dollar's protection to the State. Then came the scuffle to get rid of them on the best terms and in the quickest time. Even Gov. Holden telegraphed, to *sell* the bonds, that the interest would be paid, and went to New York with others to aid in the manipulation.

Remember people of North Carolina, that your public debt, January 1st 1868, all told, was $15,238,070, and your bonds were selling in New York then at 52 and 51 cts. in the dollar. *Remember* that the Radical party and Gov. Holden's administration increased that public debt in two years, so that on the 1st of January 1870, the debt was $31,191,335!! and new North Carolina bonds at that time were selling at 27 to 28 cts. in the dollar! That is financeering with a vengeance! Remember it, people of North Carolina, land owners, tax-payers and laboring men, white and colored, that the Radical party and Holden administration imposed upon you this heavy debt, to come out of your toil and sweat, in obedience to the demand of carpet-bag and scalawag swindlers and thieves, to fill their pockets and ruin the State. What has the State got to show for this large, this enormous debt? More anon.

The Conservatives of Moore county have nominated R. S. Ledbetter, Esq. for the Senate, and Alexander Kelly, Esq., for the House.

We have learned say the Fayetteville *Eagle*, from a reliable source the details of a most sad and fatal affray in the family of Peter Gautier, who lives in Samson Co., some 5 miles from Warick's Bridge, east from here near the Cumberland line.

It seems Gautier was a very rough intemperate man, had a whisky still, and bad associations generally. He and his wife it is also said were drunk at the time and they have lived wretchedly together for years.

On Saturday, the 11th inst., Gautier was beating his wife in a most cruel manner. He had her on the ground trying to cut her throat, and had cut her fingers and bruised her severely, when a gun fired and Gautier exclaimed—"I am shot." He at once relaxed his hold, and died in some two hours.

It is believed his son William, about 10 years old, shot the father when he saw that his mother was about to be killed.

There were no persons present but William and some smaller children.—When Gautier commenced beating his wife, a step daughter ran off with his jug to hide it in the woods' and did not witness the tragedy.

There were two guns in the house, one a double-barrel shot gun, one barrel of which was it seems fired at Gautier. It is pretty certain that William fired the gun to protect his mother, though he says he was so much excited and frightened that he don't know whether he did shoot or not. His conduct will be regarded justifiable under the circumstances.

Mrs. Gautier, it is thought, will recover.

TO THE RECORD.

The *Standard* will insist that this administration is a financial success; we say it is not, but that, on the contrary, it is a lamentable failure, nay, *worse* than a failure—it is a history of blunders, miamanagement, dishonesty and corruption. We don't expect to convince the *Standard* of these facts any more than the *Standard* can reasonably expect to convince the public of the contrary; but we expect to show, by facts and figures taken from the Records, that the present administration has cost the State—the *people*, a great deal more money than they paid before, and that for a much inferior article. For instance, see the following comparison:

State debt Jan. 1st, 1868 including $1,268,000 of bonds issued during the war for internal improvements, with interest thereon $15,238,070	State debt, Jan 1st, 1870 after two years of Radical rule $31,161,335.

State bonds bought in New York, Jan. 1st, 1868.	State bonds sold in New York, Jan. 1st, 1870.
For old 53	Old 42
New 51	New 28
Salaries of officers and Clerks of Executive departments for the year 1867 about $16,950	Salaries of Clerks and officers of Executive departments for the year 1869 about $34,400
Salaries of Judicial officers for same year 133,660	Judicial officers, including Code Commission for same year 160,309
for both $57,610	for both 94,709
ture for 1865, including proportionable part of stationery and public printing, about $15,000	lature for 1868-'69, including paper for laws and journals, in round numbers $50,000
Same for 1866 120,000	
Both years $135,000	

The above estimates are correct, except that we have dropped the fractional parts of the hundreds in giving the expenses of the Executive, Judicial and Legislative branches.

The comparison shows the reckless manner in which the State's credit has been tampered with, and her bonds manipulated so as to reduce the price of her old bonds more than 20 *per cent* in two years, and of nearly or quite 80 *per cent* of her new bonds in the same time, and they are much lower now, even if they can be said to have any value at all.

This comparison shows also, that, under Gov. Worth's administration, the entire expenses of the Executive and Judicial branches of the Government, were but $51,610, while that of Gov. Holden for last year cost the people $94,799, that is $43,-189 more than Governor Worth's administration cost for the same length of time.

The disparity in the Executive department, taken alone, is still greater, lacking only $450 of being double in 1869, what it was in 1867.

Let the people look at these figures and see how long they can afford to pay such a high price for such a poor whistle.

It will be seen that the expenses of the Legislature of 1865 and that for 1866 combined was $235,000, but very little over half what the people paid for the recent Radical Legislature, which drew its $7 per day, individually, while collectively it bankrupted the Treasury, broke down the credit of the State and in many other ways injured and oppressed the people.

Let the people look at these things and then say if they are willing to continue the same power in the hands of the same party.

In the meantime we ask the *Standard*, what public errand it was which took Adjutant General Fisher to Vermont at a cost to the State of $500?

And what use were those *six ostrich feathers*, bought and paid for by the State, put to?

For the Sentinel.

THE SOLICITOUS.

I would most respectfully suggest to all whom it may concern, that there are daily, letters being received from almost every State in the Union, soliciting information of the Clerks of the Superior and Probate Courts; and especially that information to be derived from the Probate Court, such as of Wills, Deeds, Executors, Administrators, Guardianship, &c., &c., which are giving the officers a great deal of unpaid trouble; therefore, it is suggested by one who has had the experience of several years, and he would inform the solicitors, that if they would in every instance send money their requests with a reasonable amount of "greenbacks" their wishes would be attended to promptly.

It is one of the unmistakable considerations in a Clerk performing his duty to see that he is remunerated for his labor according to law.

CLERK.

LITTLEFIELD IN FLORIDA—BIG ISSUE OF STATE BONDS.

The following extract is from the Tallahassee *Floridian*:

The time has passed for surprise at anything that may be done by those who rule in Florida. And yet, a fact leaked out on Friday last which astonished the most inveterate believer that nothing more can be done than has already been done. The fact to which we refer, is the issue by the Governor of three millions of State 8 per cent. gold bearing bonds to Gen. M. S. Littlefield representing the Florida Central and the Jacksonville, Pensacola & Mobile Railroad Companies, in exchange for bonds of a similar amount of those corporations. Four millions of state bonds have been signed and sealed, but as far as can be learned, for much secrecy surrounds the whole transaction; three millions have only as yet been delivered. It is possible that the Governor, who left on Sunday night, as is supposed for the North, carried with him the remaining million.

We have characterized this transaction as "a huge swindle," and it is so far as public expectation was concerned, and as is believed, so far as the intention of the legislature can be gathered.

THE OLDEST PERSON IN VIRGINIA.—Died, in this place on Saturday evening last, Aunt Dinah, a colored woman, aged about *one hundred and ten*. In a conversation with the writer of this notice some 25 years ago, she informed him that she was a woman grown, and perhaps 20 years of age when Cornwallis surrendered at Yorktown, and was stolen by the tories and sold to Mr. Richard White, near this place, in 1780 or 81. She was then of age, she thought, as she made a full hand in the corn field.—*Abingdon Virginia.*

A Pennsylvania paper tells of a local preacher who has received for salary this year nothing but a carry comb, a keg of varnish, and two dozen clothes pins. Whenever his children cry with hunger he gags them with a clothes pin, scratches their stomach with the carry-comb, and lays on a coat of varnish.

COUNTY CONVENTION.

On Saturday, the 18th inst., one of the largest and most respectable Conventions which ever assembled in this county, convened in Tucker Hall.

On motion, the Convention was organized by calling M. A. Bledsoe, Esq., to the Chair.

On taking the Chair, Mr. Bledsoe congratulated the Conservative and Democratic party of the county upon the bright prospect before them for a glorious victory in August next. He looked upon this large and intelligent Convention as indicative of the zeal and interest with which the party intended to enter the campaign.

On motion, B. W. Justice, G. W. Taylor and J. C. Syme, were appointed Secretaries.

The roll being called it was ascertained that all the townships were represented.

On motion, a committee consisting of 3 from each Township was appointed to recommend nominations for the various offices.

The following gentlemen constituted the committee:

New Light:—Wm J Ward, H C Ray, Buck Laws, col.

Little River:—D Scarborough, A J Richardson, Wm C Moore.

Mark's Creek:—W C Richardson.

Swift Creek:—Geo. W Atkinson, L D Stephenson, Chas. E McCullers.

Buck Horn:—T B Robbins.

Wake Forest:—J T Hunter, John J Dunn, C W Upchurch.

Barton's Creek:—J H Bell, David Ray, Dudley Peed.

House's Creek:—Edwin Sanders, W S Tucker, Wm McDade.

Oak Grove:—S J Sloan, D S Fletcher, [illegible]

Cedar Fork:—M W Page, P H Barbee, J H Lowe.

St. Mary's:—L C Manly, Capt. G W Crockett, Wm R Pool.

St. Matthews:—Jas. A Temple, R W Seawell, Ruins Hinton.

White Oak:—E L Mills, W R Eatman, Dr C F Dowd.

Raleigh:—J H Separk, J C Palmer, A Upchurch.

Panther Branch:—Dr A E Smith, William Partin, William Myatt.

Middle Creek:—Allen Betts, W H Holland, Jas. A Adams.

On motion, a committee consisting of Messrs. Gen. H. Snow, Rev. Wm. E. Pell and C. M. Busbee, was appointed to wait on Hon. Z. B. Vance, and invite him to address the Convention.

The committee on nominations having retired, Hon. Will. Battle was called on to address the Convention, who declined on the score of laboring under political disabilities, and felt that he ought not to take any active part in political matters until he could hold up his head as a free man.

B. Y. Rogers, Esq., in response to repeated calls, was addressing the Convention, when the committee appointed to wait on Gov. Vance returned accompanied by that gentleman. Gov. Vance's appearance was greeted with tremendous applause.

After a few introductory remarks by the Chairman, the Governor took the stand and proceeded to deliver one of the most eloquent and argumentative speeches ever heard in this city. He considered four propositions in regard to the utter failure of the present administration in this State; first, in regard to finances, second, in the development of material resources, third, in the education of the children, and fourth, the preservation of peace and order.

The speech was listened to with the keenest attention and interest, and elicited enthusiastic applause.

The remarks of Gov. Vance having been brought to a close, the Committee on nominations returned and submitted the following recommendations to the Convention:

FOR THE SENATE:
HON. DANIEL G. FOWLE.

FOR THE HOUSE OF REPRESENTATIVES:
DR. J. B. DUNN,
J. Q. DECARTERET,
RUFUS H. JONES,
G. H. ALFORD.

FOR COUNTY COMMISSIONERS:
G. W. NORWOOD,
DANIEL SCARBOROUGH,
D. B. HOLLAND,
W. R. POOL,
PETERSON DUNN.

FOR SHERIFF:
WM. H. HIGH.

FOR CORONER:
KEARNY UPCHURCH.

FOR COUNTY TREASURER:
W. S. TUCKER.

FOR REGISTER OF DEEDS:
ISAAC H. ROGERS.

FOR SURVEYOR:
FENDALL BEVERS.

A motion was made to adopt the entire report by acclamation. An amendment to the motion was moved and carried to ballot by townships for each nominee.

The balloting resulted in the selection of the names reported by the Committee.

Messrs. T. N. Ramsay and P. P. Williams were appointed to wait on the different nominees and request their appearance before the Convention. Hon. D. G. Fowle appeared and gracefully accepted the nomination for the Senate in a neat little speech.

The following resolution offered by C. M. Busbee was unanimously adopted:

Resolved, That this Convention denounces, without reservation or qualification, all and any lawlessness, wheresoever and by whomsoever committed, and declares that the Conservatives of Wake county have no affiliation with or sympathy for any man or set of men who seek redress either for real or fancied wrong, otherwise than through the channels of the regularly constituted legal tribunals of the land.

The Chairman submitted the following, which were also received and adopted without a dissenting voice:

Resolved, That we heartily endorse the address of the Democratic and Conservative members of the last General Assembly.

Resolved, That we recognize and accept the 14th and 15th Amendments of the Constitution and the Reconstruction Acts, as a fixed and final settlement of the subjects embraced in them, and therefore, there is no issue between the Conservative and Radical parties in regard to the civil and political rights of the colored race.

Resolved, That the *great issue* between the Conservative party and the Radical party in this State is, whether our State and county governments shall *in the future* be economically and impartially administered by honest, faithful and capable officers, or by those who have oppressed us with taxation, recklessly squandered the public money; ruined the credit of the State; destroyed our schools and swindled us as a people.

Resolved, That we cordially invite all men of all parties, of all races and colors and of every shade of political opinion, who are in favor in the future, of an economical and impartial administration of the State and county governments, of relieving the people from excessive and oppressive taxation, of opening the common schools for the education of both the white and colored children of the State, of protecting the laborer and raising his wages and restoring the prosperity and happiness of the people, to unite with us in rescuing North Carolina from its present deplorable condition and restoring it to its former proud position in the sisterhood of States comprising the American Union.

Messrs. High, J. B. Dunn, DeCarteret, Alford Bevers, Isaac Rogers and Tucker came forward and accepted their nominations and returned thanks for this proof of the confidence which their fellow citizens reposed in them &c.

The Chairman, Mr. Bledsoe, being called on, responded in a few brief remarks. He exhorted all good and true men to unite in placing good, true and honest men in office in order to bring about such reform as would relieve the people from the present enormous burden of taxation, and build up, as speedily as possible, the material prosperity of the State, &c.

B. Y. Rogers, Esq., expressed the desire that during the approaching canvass, arrangements be made for candidates to meet each other at the various places in the county.

A motion was made and adopted, instructing our candidates to invite our opponents to enter into arrangements for full and fair discussions during the canvass, in the different townships of the county.

The Convention then adjourned.

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Polices on *all* the plans of *Mutual or Stock* Companies, extending to policy holders, all the [illegible] desirable advantages. Its policies being *non-forfeiting*, the insured enjoys all the privileges of converting policies, which the holder can not afford to keep up, or wishes to discontinue because of the death of those for whose benefit the policy was secured, *into an Annuity Bond* which provides an *income in cash through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

New Ads.—A business man wanted, as agent for an Insurance Company.

Executor's sale of Judge Osborne's literary and law libraries.

Littlefield's (not M. S.'s) fruit presses, (unique and useful,) and an apparatus for canning fruit; J. Lewis, who keeps it, the best fruit jars.

Two new and popular books, Lothair by Disraeli, and Put yourself in his Place, by Charles Reade, for sale by Alfred Williams.

Copartnership notice, B. P. Williamson.

White corn, flour, "cream of the wheat," and different kind of crackers: W. C. Stronach & Co.

We would direct special attention to the card of Miss Mangum, whose school re opens August 3rd; the neighborhood is quiet and retired, the instruction good, and the school a home.

The following new Ads., of Saturday, continued to-day, were not noticed on insertion for want of time and space:

Finley High School, at Lenoir, Caldwell county.

Notice to city taxpayers, S. N. Whitson.

Oxford Female Academy, a flourishing institution, under excelent management.

Louisburg Male Academy, a popular school for boys, conducted by Mr. M. S. Davis, an experienced teacher.

Briggs has those superior grid-irons called now "Excelsior broilers," and also hanging flower baskets.

Returned.—We had the pleasure of receiving a call at our sanctum, to-day, from Gen. W. R. Cox, who has just returned from a trip to Tennessee. He don't look as if the Brownlowites or the limestone water of that State has had any deleterious effect upon his health.

Religious Notice.—Rev. M. V. B. Makamson, the blind preacher of North Carolina, will preach in the Baptist Church in this city, to-night at 8 o'clock.

Oak City Council.—Regular meeting of Oak City Council, Friends of Temperance, to night at the usual hour. Full attendance requested.

Masonic.—Hiram Lodge, No. 40, A. F. M. hold a regular meeting at their Hall this evening at the usual hour. Members will take due notice and govern themselves accordingly.

The following is the able ticket for the Legislature nominated by the Conservatives of Franklin county. We have not learned the other nominees of the county, but understand they made no nomination for Sheriff:

SENATE.
JOS. J. DAVIS,
HOUSE OF REPRESENTATIVES.
CAPT. WM. G. HARRIS,
C. M. COOKE,

Besson, opposite the Market House, on Fayetteville street, wishes it known that he has this day received a supply of beautiful, nice, light summer cassimeres, and is ready to make them up to *suit* the most fashionable and fastidious taste.

Take one Horse.—Mrs. Beasley, over Pescud and Lee's Drug Store, has on hand a beautiful lot of ladies' hats and bonnets, suitable to all ages, sizes and complexions, and suggests to persons attending the Courts now in session in Raleigh, to call and examine her stock before leaving for home, and make a selection of a beautiful hat or bonnet to take home to wife or daughter. She will enable them to do so on very reasonable terms!

"The Old Constitution" is the title of a small but neatly printed and well edited paper, the publication of which has been recently commenced at Danbury, Stokes county, by Andrew J. Steadman, Esq., editor and proprietor. It is issued weekly at $1 a year in advance, and will advocate the overthrow of Radicalism in North Carolina. Success to it in every respect.

Horses, Cows and Calves.—We think it right and proper that horses should be kept out of the streets, as they might hurt somebody, or make somebody's team run away; and it is certainly kind and charitable to take care of and protect the innocent little calves; but we are opposed to declaring war on the cows in this city, for, to many a poor family, the cow affords half the living, and to compel such families to keep them up would be equivalent to forcing them to sell or kill them. We plead for the cows for the sake of their owners to whom they are so valuable.

Railroad Accident.—We learn that, on Friday last, an accident occurred to a freight train on the R. & G. Railroad, near Macon Depot, by which several cars were considerably damaged. It is reported also, that on Saturday after the wreck had been cleared off and the train was being coupled together, a colored train hand was crushed between two of the cars and instantly killed. We did not learn the name of the unfortunate man.

Mr. McNeill's Letter.—In the letter of Mr. A. H. McNeill, published some days since, occurred several errors which were not discovered at the time, and to which our attention has been directed. The letter was probably not intended for publication, but as it threw some additional light on matters transpiring in that section, we inserted it without giving the attention to other parts of it that we might have done. We would republish the letter correctly, but perhaps that is unnecessary after such a lapse of time.

Notice—Beneficial to all Whom it may Concern.—Persons indebted to the undersigned, will come forward and settle within 30 days from date, if not their names, amounts (and what for!) will be published for 30 days. PHIL. THIEM.
my 19-1m

Baby Wagons.—If it were a possible thing for babies and baby wagons, and babies' nurses ever to become a nuisance any where or under any circumstances, we should feel some apprehension of that thing occuring in Raleigh, especially when the latter (the colored ladies who act as nurses) stop in some of the most frequented thoroughfares, forming a raft of babies and wagons while they exchange gossip, *a la white Yolks*, for half an hour or so.

We are very fond of babies—think it highly proper that babies should have nurses, and we have no particular objection to the nurses pushing the babies about in little wagons; it looks grand and keeps them out of the way at home; but we think they ought to be taken to less frequented streets, and not be barking people's shins with their turn-outs on the crowded ways.

A Rumor is going about the city that the notorious and blood thirsty Col. Kirk has proffered his services to Gov. Holden to take charge of his new regiment of regulars, and that the Governor has concluded to accept his offer.

Another version of the rumor is, that Kirk has proposed to raise a regiment of Tennesseeans and bring them over to North Carolina.

The Governor may be mad enough to accept such propositions, but we doubt it.

Memorial of Gen. J. J. Pettigrew.—We are authorized to announce that copies of the above book can be obtained by making early application at the different Bookstores in the city, or to Mr. S. N. Whiting, the Agent, who can be found at the clothing establishment of R. B. Andrew's & Co., Price $1.00.

A Well-deserved Tribute.—At the recent Commencement at Trinity College, by a unanimous vote, the honorable and distinguished title of D. D. was conferred on Rev. Turner M. Jones, formerly President of the Greensborough, now of the Warrenton Female College.

By the way, we expected ere this to have received a full report of the Commencement exercises of Trinity, but none has yet come to hand.

Commencement.—We have received a polite invitation from the Faculty and Pupils of the Columbia (Tenn.) Athenæum to be present at the Commencement and festival exercises of that institution to come off this week, but the distance is too far for us to go, but we can and do wish them a successful and pleasant time.

The Davidson College Magazine for the month is received. It is an interesting, well edited little Magazine, worthy not only of the patronage of those directly interested in the welfare of that flouring institution, but of the public generally.

We learn from the Magazine that Rev. J. M. Atkinson, D. D., of this city will preach the Baccalaureate sermon at the College at the approaching Commencement.

Condemned to be Hung.—The negro man who committed the rape on a little white girl in Alamance county, mentioned by us some three months ago, was on Thursday last, convicted and condemned to be hung. He made a full confession of his crime.

There is a letter held in the Wilmington Post Office for postage, directed to Sarah Thomas, care of Mr. Brown, Artist, Raleigh, N. C.

Our exchanges, from all directions, report heavy and continued rains, damaging, seriously, the crop prospects.

David Duffee, a brick mason, of Fayetteville was badly shot near Averysboro', last week. No particulars given.

Want of Vitality.

Sometimes there is a lack of vitality in large and apparently well developed frames. Herculean sinews and muscles are not always indicative of stamina and constitutional vigor in their possessor. Health depends more upon the condition of the stomach, the liver and the bowels, than upon the breadth of the shoulders, or the size of loose levers and pulleys of the system in which strength is supposed to reside. All this grand animal machinery is of itself no protective against sickness and decay. Easy and perfect digestion, regular and healthy secretions, uncontaminated blood, and a regular discharge of the waste matter of the body through the intestines, the kidneys and the pores, are the most potent safeguards against disease, the best guarantees of longevity. *To promote these objects is the great end and purpose of* Hostetter's stomach Bitters. The ingredients of which the Great Tonic and Alterative is composed are taken solely from the vegetable kingdom and their medicinal virtues are not counterbalanced by the acrid and poisonous elements which exist, more or less, in all the powerful mineral drugs. Sufferers from indigestion, biliousness, intermittent fevers, nervous debility or constipation, not only find immediate relief from the use of this agreeable stimulant and invigorant, but become conscious, as time wears on, of an increase of constitutional elasticity and vital force. Labor and exposure no longer produce the same effect upon them as heretofore, and they feel as if they had acquired a new hold on life, a new reserve of physical and mental energy. This has been the experience of thousands of both sexes, and every day adds to the mass of confirmatory testimony. At this season of the year when the temperature and state of the atmosphere, exercise a peculiarly depressing influence over the minds and bodies of invalids, Hostetter's Bitters is the only tonic upon which the debilitated can rely for swift and permanent restoration.

Saturday Night Dispatches.

WASHINGTON.

Washington, June 18—Revenue receipts $1,000,000.

Secretary Bulk ley has returned.

Cash in the Treasury $100,000,000 in gold, and $21,500,000 in currency.

A bill has been introduced in the Senate removing a bar in the Apalachicola river.

The secretaryship of the Republican Congressional Committee has been tendered to Thos. E. Pollock.

The Senate's Committee will report the currency bill which passed the House with several amendments.

The *Star* has the following regarding Mr. A. T. Ackerman, the President's nominee for Attorney General: "It seems pretty certain that the more Radical Republicans will make an earnest effort to procure the withdrawal of Mr. Ackerman's nomination to the Attorney Generalship and on failing in that, to prevent his confirmation by the senate. This action grows out of the part borne by Mr. Ackerman during the late rebellion, in which it is alleged he voluntarily took an active part for about eighteen months. It appears that the legal and political disabilities imposed upon Mr. Ackerman by the fourteenth amendment were removed by the act approved on the 14th of December last, to which his name is supposed with about 1,500 others. The opposition to him would seem, therefore, not to be based upon strictly legal objections, but rather upon the question of propriety in the President choosing a constitutional adviser from that class, while plenty of men, at least equal to ability and reputation to Mr. Ackerman, and without any taint upon their patriotism, could be had for the place."

Senate.—A substitute was reported for the House naturalization bill, being Senate bill on the same subject. A bill was reported to incorporate the Southern Express Company. A land grant bill in aid of a lateral road of the Atchison, Topeka and Santa Fee Railroad was discussed. The bill preventing cruelty to animals in the District of Columbia was passed. It goes to to the President. The Judiciary Committee will report on Monday the naturalization bill with an amendment in the nature of a substitute. Mr. Conkling characterized the 9th as very important. A bill was reported granting lands in aid of the construction of the St. James and Little Rock Railroad. The Southern Pacific Railroad bill was discussed, but no action was had. The bill abolishing the franking privilege was resumed. An amendment postponing the abolition of the privilege to August, 1870, was adopted. Adjourned.

House.—The morning hour was consumed on the personal bill. The Speaker laid before the House the credentials of B. F. Whittemore member elect from South Carolina. Mr. Logan objected to the swearing in of the person claiming to represent the State of South Carolina under these credentials. Mr. Farnsworth suggested that the case be referred to the Committee on Elections. Mr. Logan did not want the case to go to the Committee. The individual here had disgraced himself, and the journal of the House so expressed it, and it was a question for the House to decide for itself. Mr. Farnsworth insisted that it ought to go to the Committee. Mr. Logan did not wish it to go to the Committee, to be pocketed till after Congress adjourned. He wanted the question settled now. The election was not contested. The only question was, whether the House would admit him. Mr. Farnsworth could not see how the House could act without it going to go upon. Three members knew what had occurred some weeks ago, but they could not go upon that. Mr. Logan said to refer it was to treat the case with more consideration than it deserved. The House was familiar with all the facts, and it was a mere question whether they would allow him to occupy a seat in Congress—whether they would stand by what their own moral sense and the sense of the people prompted them to do. He moved—that the Committee on Claims being entitled to-day—that the case may be postponed to Tuesday, after the morning hour. Agreed.

Mr. Garfield offered a resolution that when a member is expelled, or resigns pending a resolution of expulsion, the case should be referred to the Committee in which the resolutions of expulsion was considered. Referred to the Committee on Rules.

A large number of private claims were passed, and the House adjourned.

FOREIGN.

Paris, June 18.—The iron founders strike throughout France is sustained in great part by English money. Municipal elections will occur throughout France near the end of July. The suppression of the legations to the secondary German States is urged in the Legislative Corps, but no action was taken. Prince Napoleon has entirely recovered. The Algerian rebels have submitted to the French authorities. A Carlist expedition is attempting to cross into Spain near Bayonne, was stopped by French soldiers.

Florence, June 18.—A monument in honor of the heroes of Solferino will be unveiled on the 24th, the French and Austrian officers participating.

London, June 18.—The *Shipping Gazette* this morning is confident that the money markets will be undisturbed by the recent advance in grain. The Mount DeLagrange's horse Trondelara won the Alexandria plate at Ascott's. There was a large meeting of non-conformists at Liverpool last night. Several eminent persons spoke. Resolutions were adopted sustaining Mr. Gladstone on the Education bill. There was also a meeting of Dissenters at Leeds, which unanimously passed resolutions expressing dissatisfaction with the Education bill. The cotton factory of Hoyle & Co., at Dundee, Scotland, has been burned. Loss heavy.

Monday Evening Dispatches.

WASHINGTON.

Washington, June 20.—Judge Appleton declines to succeed Wairons as Texas district Judge.

House.—Bill were introduced, by Poland authorizing the President to open negotiations for the annexation of British North America; by Butler of Massachusetts annexing the Republic of San Domingo; by Mungen repealing all laws and resolutions regarding spirit meters.—A motion to suspend the rules to consider the appointment of a joint Cuban Committee, failed. Fortification appropriations are progressing. Senate.—Private bills.

CALIFORNIA.

San Francisco, June 20.—Sixteen counties in Oregon, give Nelson, democrat, 60 majority. His majority in the State is about 275. The Legislature is probably Democratic.

FOREIGN.

London, June 20.—An explosion occurred yesterday in one of the government powder mills near Waithal Abbey, near the city; several were killed.

The death of Lord Arthur Clinton created a renewed interest in the case of the Boulton Mesquerades. His dying declaration that he was innocent is fully verified by attendants and companions.

Special Notices.

Pills are invaluable to all who suffer from Billious and Liver Complaints, Sick Headache, Loss of Appetite, Drowsiness, Giddiness, and especially Indigestion, which prevails to an alarming extent in this country at the present day. By the judicious use of Tutt's Liver Pills the bowels may be kept perpetually in a natural condition of good health. They do not act as merely temporary relief; they keep the human system in a state of sound and vigorous health, by easily and almost imperceptibly cleansing it of all impurities. *It bruises and tears generally both the physical and mental organization.*

The Great Family Medicine of the Age.

THIRTY YEARS

Have elapsed since the introduction of the Pain Killer to the public, and yet at the present time it is more popular and commands a larger sale than ever before. Its popularity is not confined to this country alone; all over the world its beneficial effects in curing the "ills that flesh is heir to," are acknowledged and appreciated, and as a Pain Killer its fame is limited to no country, sect nor race. It needs only to be known to be prized.

Thirty Years is certainly a long enough time to prove the efficacy of any medicine, and that the Pain Killer is deserving of all its proprietors claim for it, is amply proved by the unparalleled popularity it has attained. It is a sure and effective remedy. Sold by all Druggists.

Price 25 cts, 50 cts, and $1.00 per Bottle. Directions accompany each bottle.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE N. C.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum secured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1866 it was the 9th Company in new business for the year; in 1867 it was the 8th; in 1868 and 1869, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" after they once begin to pay them at all; but they do not begin to pay until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals four hundred and thirty six dollars paid at the end of four years, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

A New Discovery!!
Phalon's
"VITALIA;"
or,
Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

Phalon's "Vitalia" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

The Vitalia is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

UNPREGEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in preminma and diplomas wherever entered for competition at *fairs* and *exhibitions* held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work.

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch, or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparatively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs TOMPKINS' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into *every* family in the country, where Kerosene Oil is used.

ROCKBRIDGE ALUM SPRINGS, VA.

Open May 15th, 1870.

THIS FAVORITE AND CELEBRATED Watering Place is now in complete order for the reception of guests. Important improvements have been added to the buildings since the establishment passed into the hands of the present proprietor, and it is his purpose to keep it in a style not surpassed anywhere in Virginia. The waters of these special springs either cure or greatly relieve most cases of Scrofula, Incipient Consumption, Chronic Bronchitis, Chronic Laryngitis, Chronic Pneumonia, Chronic Dyspepsia, Chronic Diarrhœa, Cystitis, &c. They are also a great value in those affections which are peculiar to the female constitution, and as an appetizer, a tonic and general restorative, they are, perhaps, unrivalled amongst mineral waters. The proprietor will have provided for the lawns and ballroom a first-class band of music, and in general all the sources of amusement and recreation usually found at our best summer resorts will be at the command of the guests at "Rockbridge Alum." The place is within eleven to thirteen hours of Richmond, Washington, Baltimore, &c., by rail, all in daylight. Passengers leave the cars of the Chesapeake and Ohio Railroad at Goshen Depot, and new and elegant stage coaches, passing rapidly over a smooth and level road of only eight miles, set down the visitors at the Springs to tea.

MR. J. L. KITCHIN:

DEAR SIR:—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skil. and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, and *a certain legal standard of reserve and accumulation* must be held by the Companies to meet all their liabilities.

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
